SJHL COACHING & STAFF

CODY MAPES - HEAD COACH

Cody Mapes, 38, is from Regina, SK, and has served as head coach and general manager of the Weyburn Red Wings since the 2021-22 season. He has guided the Wings to semi-final berths in the last two seasons, and the playoffs in four straight seasons. During his time at the Whitecap Resources Centre, Mapes has helped develop committed players such as Ty Mason (Western Michigan University), Max Chakrabarti (Augustana University), Angelo Zol (Augustana University), and many more.

CARTER HANSEN - ASSISTANT COACH

31-year-old Carter Hansen of Craven, Saskatchewan, joins as an assistant coach. Currently with the Humboldt Broncos, Hansen also served with Team Canada West in 2024 under Mike Reagan, and in 2025 under Trevor Blevins. As a former player under Blevins with the 2015–16 Melfort Mustangs, Hansen helped win the SJHL championship and reach the Western Canada Cup.

JAYDEN VILLAFANE - ATHLETIC THERAPIST

Therapist for the Kindersley Klippers since the summer of 2025 and previously worked with the Port Alberni Bombers in the VIJHL, also in his hometown. He completed his education at Vancouver Island University and has since worked in hockey and at a sports injury clinic in the Port Alberni area. Jayden chose to work in hockey because of his lifelong passion for the game, despite an injury that cut his playing career short. He became an Athletic Therapist because of that experience and now takes pride in preventing injuries and helping athletes rehab back to 100%. His experience also includes last year's SJHL entries into the Viking Cup and Western All-Star Challenge.

SKIP DEEG - EQUIPMENT MANAGER

In his 22nd year as a trainer and equipment manager, Skip Deeg enters his 9th season with the Humboldt Broncos. Across multiple provinces, Deeg has coached over 1,400 junior hockey games. He supports the team on and off the ice, bringing a wealth of experience and passion for the game. Off the ice, he enjoys spending time with his wife, Becca, and their children, Hudson and Kynley. A big fan of both the NFL and CFL, he proudly cheers for the Green Bay Packers and the Saskatchewan Roughriders.
